Cumulative Vaccination Uptake by date

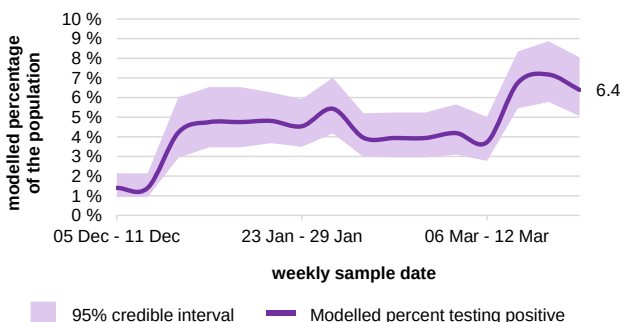

Latest vaccination uptake (12+)

Latest total percentage of people aged 12 and over who have received a COVID-19 vaccination, by dose. For English areas, the denominator is the number of people aged 12 and over on the National Immunisation Management Service (NIMS) database. For people vaccinated in England and areas in England, age will now be defined as their age at the time the data is extracted.

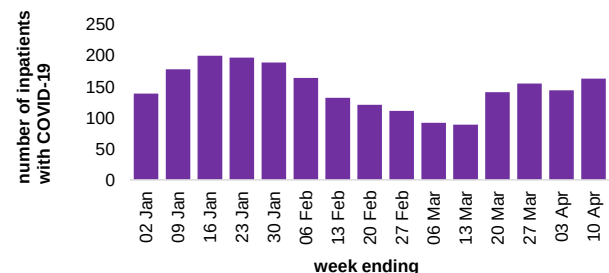

Modelled percentage of the population testing positive for COVID-19

Bedford Borough - Central Bedfordshire - Luton

Hospital bed occupancy patients with COVID-19

Bedfordshire Hospital NHS Foundation Trust

The maximum daily number of inpatients with COVID-19 each week (combined figures for the Bedford and Luton & Dunstable hospital sites)

Total deaths registered involving COVID-19 since 1st January 2020

630

Deaths registered involving COVID-19 26-Mar to 01-Apr
